- Park Lane Veterinary Hospital requires current (within one calendar year) Distemper combination, bi-annual Bordetella (kennel cough) vaccine & a one-to-three-year Rabies Vaccine. If your pet is not current on required vaccines, they will be administered upon admittance & the expense will be added to your charges. Any exceptions for health purposes will have to be approved by DVM prior to check in.
- Internal and/or external parasites identified at check in or during the course of boarding will be treated at owner's expense.
- If your pet requires use of potty pads while boarding, a fee of \$2.00 per pad will be added to your account.
- A cleaning fee will be added for boarders with special cleaning requirements such as incontinence.
- If your pet becomes ill or if the state of your pet's health requires medical attention, the DVM, at his/her discretion, will administer treatment deemed necessary for the safety and wellbeing of your pet.

I hereby give permission for Park Lane Veterinary Hospital to administer emergency treatment for my pet. I further agree to take responsibility for treatment and procedures received by my pet while boarding in the facility and understand that full payment is due upon discharge.
